

Dear Valued Customer,

Our last regular linehaul prior to Christmas will be Friday 20/12.

Due to the expected high volumes during the lead up to the Holiday break, we ask that any consignments that are required to be delivered before Christmas are despatched no later than Tuesday 17/12.

WA Regional Linehaul:

As always, our WA agents have very limited services running over the Christmas & New Years break.

Our agents have requested any regional consignments needing to be delivered before the 25/12 are given to them no later than Friday 20/12.

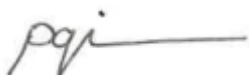

This means freight needs to be despatched ex-WA Thursday 19/12.

This only applies to the main regional towns, with smaller towns being serviced when possible.
